# ANKIT SHRESHTA

## STRENGTHS

**Analytical Thinker**
Strong analytical skills when dealing with complex datasets.

**Effective Communicator**
Effective communication skills, enabling collaboration between technical and non-technical teams.

**Continuous Learner**
Proactive in learning new technologies and keeping up with the AI field.

## KEY ACHIEVEMENTS

**Predictive Model Development**
Successfully developed a predictive model that improved customer retention rates by 20%.

**National AI Competition**
Led a team project that won first place in a national AI competition.

## SKILLS

**Hard Skills**

Machine Learning · Deep Learning · Python · Data Analysis · TensorFlow

## SUMMARY

I have a strong background in applied AI, complemented by hands-on experience in developing machine learning models and participating in innovative projects. My studies in Bangalore equipped me with the technical skills necessary to excel in this domain. I am eager to contribute to AI solutions that have real-world impact while continuously enhancing my knowledge in this exciting field.

## EXPERIENCE

**Applied AI Engineer**                                          07/2022 - Present
**Tech Innovations Pvt. Ltd.**                                  Bangalore, India
A leading technology company specializing in AI and data solutions.
- Developed and deployed machine learning models for predictive analytics.
- Collaborated with cross-functional teams to integrate AI solutions into existing processes.
- Participated in hackathons to create innovative AI solutions under tight deadlines.

**AI Intern**                                                   01/2022 - 06/2022
**AI Solutions Inc.**                                           Bangalore, India
A startup focused on AI development for various industries.
- Conducted research on natural language processing and its applications.
- Assisted in the development of an AI-driven chatbot for customer service enhancement.

## EDUCATION

**Bachelor's in Computer Science**                              09/2018 - 06/2022
**Bangalore Institute of Technology**                           Bangalore, India
